The goal: you have to decrypt the secret numerical picture. At each station you have to answer a question. In return you receive two numerical codes. These codes have to be connected to each other and the hidden picture shows up.

In theme room „Life“ there are 6 tasks waiting for you, in theme room „Earth“ there are 8 tasks. If you do not know how to carry on: no problem – just ask one of our scouts! He or she will be glad to help you.

When you have mastered the tasks and detected the numerical picture you can hand it in at the info point. Good luck!
