Young adventurers

Your goal is to crack the secret safe! You can do this by answering all the questions you can find at the green stations. Put the numerical code corresponding to the correct answer into the fields numbered 1-10!

There are 4 questions in theme room „Life“ and 6 in theme room „Earth“. Once you have collected all the numerical codes you can try to find the safe and use the 10 digit code to activate it.

When you are done hand in the quiz at the info point. Good luck!
